McNeil Announces Voluntary Recall of Certain Over-The-Counter Infants' and Children's Products

April 30, 2010 – McNeil Consumer Healthcare working closely with the FDA announces the voluntary recall of infants' and children's liquid products due to manufacturing deficiencies which may affect quality, purity, or potency.

More information regarding the decision for the Voluntary Recall:

- ✓ McNeil Consumer Healthcare is initiating this voluntary recall because some of these products may not meet the required quality standards.
- ✓ This recall is not being undertaken on the basis of adverse medical events but as a precautionary measure. Parents and caregivers should not administer these products to their children.
- ✓ The company is conducting a comprehensive quality assessment across its manufacturing operations and has identified correction actions that will be implemented before new manufacturing is initiated at the plant where the recalled products were made.
- ✓ Consumers can contact the company at 1-888-222-6036 and also at www.mcneilproductrecall.com.
- ✓ Consumers can also visit the FDA's website at www.fda.gov/medwatch for more information.
